CELEBRATING 90 YEARS
OF CLINICAL EXCELLENCE
AND GLOBAL ENGAGEMENT

Welcome to the 2026 AOA Queensland Annual Scientific Meeting.

This year's theme, **Our Love of Learning**, celebrates one of the defining characteristics of our profession: a commitment to continuous growth, curiosity and improvement. From the earliest days of training through to the most experienced stages of practice, learning remains at the heart of what we do as orthopaedic surgeons.

What makes this year's meeting particularly special is the calibre of our faculty. Every speaker is drawn from within Queensland, showcasing the depth of talent, experience and expertise that exists within our own community. We are fortunate to be surrounded by colleagues whose interests extend far beyond the operating theatre. They are innovators, educators, leaders, adventurers, business owners, mentors and lifelong learners.

Alongside a stimulating scientific program, we invite you to enjoy the social events throughout the meeting, a chance to reconnect with colleagues, share experiences and celebrate the strong orthopaedic community we are privileged to be part of.

Thank you for joining once again in Noosa. We look forward to an engaging, thought-provoking and enjoyable meeting.

Chair: Arvind Puri
Convener: Michael Lutz

Venue

Set in the peaceful surrounds of Noosa National Park, Peppers Noosa Resort & Villas is the ideal base for your conference experience. Just minutes from Hastings Street and Noosa Main Beach, the resort offers stylish accommodation, a lagoon pool, day spa, and eco-conscious design. With boutique shopping, great dining, and scenic walks nearby, it's the perfect getaway for the family. Combine professional development with a relaxing escape in one of Queensland's most beautiful locations.
