Friday 9 June

REGISTRAR FREE PAPERS

12:15pm - Lunch and Registration

1:00pm Welcome and Acknowledgment to Country. **David Liu**

1:00pm - 5:00pm REGISTRAR FREE PAPERS SESSION. Moderator: **David Liu**. Judges: **Jon Anderson, Ross Crawford, Phil Duke**

1:10pm Study to Establish the Disability Weight and country-specific Utility Weights for Developmental Dysplasia of the Hip. **Helena Franco (Virtual)**

1:20pm Total hip Arthroplasty using modern bearings in patients less than 30 years of age: A study of 1,991 total hip replacements from the Australian Orthopaedic Association National Joint Replacement Registry. **Shutong Mo**

1:30pm A Comparison of Spinopelvic Motion and its Effect on Patient Reported Outcome Measures Post Robotic Total Hip Arthroplasty. **Jeremy Day**

1:40pm Total Hip and Knee Arthroplasty Follow Up Survey of Orthopaedic Surgeons. **Stewart Wales**

1:50pm The Effect of Incisional Negative Pressure Wound Therapy on Ankle Fracture Surgical Site Infection (ENPASS) – Pilot Phase for a Randomised Controlled Trial. **Nicholas Croker (on behalf of QORRC)**

2:00pm It's More Than Distance: Investigating Risk Factors for Non-Attendance at Fracture Clinics in Far North Queensland. **John Maunder**

2:10pm Higher complication rates of geriatric and fragility ankle fractures treated with tibiocalcaneal nails. **Jordy White**

2:20pm Can Vitamin C improve hand and wrist function and decrease pain post distal radius fracture fixation: a prospective double blinded randomised control trial? **Ian Verrall**

2:30pm AFTERNOON TEA

3:00pm Wooden-based foreign body infections in Orthopaedic surgery: a retrospective review of empirical antibiotic coverage. **Heidi Freeman**

3:10pm Ten-year trend and indications of lower extremity amputation in Metro South Health: A retrospective study. **Dong Yu**

3:20pm Bloodstream infection-associated native joint septic arthritis in Queensland, 2000-2019. **Luke Visscher**

3:30pm Effect of Preoperative Psychological Factors on Shoulder Surgery Outcomes. **Dong Yu**

3:40pm Prospective radiographic and functional assessment of tunnel widening after anterior cruciate ligament reconstruction using two different tendon fixation techniques. **John Kinyanjui**

Friday 9 June (cont)

REGISTRAR FREE PAPERS

REGISTRAR FREE PAPERS SESSION (cont)

3:50pm Do four-strand half peroneus longus tendon grafts have a similar yield load to failure when compared to four-strand semitendinosus tendon grafts? **Christopher Kleimeyer**

4:00pm Bony morphological parameters in valgus and non-valgus aligned paediatric patients with anterior cruciate ligament (ACL) rupture: a magnetic resonance imaging (MRI) study. **Alexander Seeto**

4:10pm Randomised controlled trial of tourniquet associated pain generated in lower limb after exsanguination by Esmarch bandage versus leg elevation. **Alexander Mitrichev**

4:20pm The Effects of Lower Extremity Rotational Malalignment on Pediatric Patient-reported Outcomes Measurement and Information System (PROMIS) Scores. **Richard Hannan**

4:30pm A retrospective review of the safety and efficacy of continuous epidural analgesia following posterior spinal fusion for adolescent idiopathic scoliosis. **Maisha Jamali**

4:40pm Quantifying the Typical Sequential Progression of Adolescent Idiopathic Scoliosis at Intervertebral Discs and Vertebrae: A Longitudinal Study of Three Dimensional Deformity. **Fraser Labrom**

4:50pm END OF DAY

Saturday 10 June

QORF Collaborative Meeting - "Connecting Musculoskeletal Research in Queensland - The Future Is Now"

- 8:30am Welcome - Acknowledgement to Country. **David Liu**. *Orthopaedic Surgeon, QLD Scientific Secretary*
- 8:35am Opening Speaker - why are we here - QORFCC. **Ross Crawford**. *Orthopaedic Surgeon, Chair, QORFCC.*
- PLENARY SESSION -INNOVATIONS IN MSK CARE. Moderator: Ross Crawford**
- 8:40am Artificial Intelligence in MSK research and Australian Research Council Training Centre for Medical Implant Technologies (ARC CMIT) update. **David Lloyd**. *Professor of Biomechanical Engineering, Griffith University, Director, CMIT Research Program and Director GCORE.*
- 9:00am Bone bio-mechanics – what’s new. **Saulo Martelli**. *Associate Professor, Biomedical Engineering and Biomechanics, QUT.*
- 9:15am Osteoarthritis - It's not what you think it is. **Indira Prasadam**. *Senior Lecturer, School of Mechanical, Medical and Process Engineering. QUT.*
- 9:25am What the consumer really wants to know - how we know. **Jessica Neri**. *Health Promotion Manager, Arthritis Queensland.*
- 9:40am Bone Deformation Tool for finite element analysis of the femur to aid clinical diagnoses and surgical planning. **Alireza Yahyaiee Babil**. *PhD, Griffith Centre of Biomedical and Rehabilitation Engineering, Gold Coast, Advanced Design and Prototyping Technologies (ADaPT) Institute, Griffith University, Gold Coast.*
- 9:50am Discussion
- 10:15am MORNING TEA
- QUEENSLAND ORTHOPAEDIC RESEARCH FUND & RECIPIENT PAPERS. Moderator: Phil Dalton**
- 10:40am Introduction. **Phil Dalton**. *Orthopaedic Surgeon, General Director, QORF Board.*
- 10:50am The Effect of Virtual Reality on Perioperative Experience whilst Undergoing Wide-Awake, Local-Only Hand Surgery (ViRtUALS study): A randomised, placebo-controlled trial. **Michael Erian**. *PHO, Queen Elizabeth II Jubilee Hospital, QLD.*
- 10:55am Bartons Distal Radius Fracture Study. **William Fairbairn**. *Orthopaedic Trainee/PHO, QUT/HBI/MERF.*
- 11:00am Safety and Effectiveness of Early Weight Bearing in Patients following Open Reduction Internal Fixation of Unstable Ankle Fractures. **James Wheeler**. *PHO, GCUH and QUT.*
- 11:05am Discussion

Saturday 10 June (cont)

QORF Collaborative Meeting - "Connecting Musculoskeletal Research in Queensland - The Future Is Now"

REGISTRIES AND BIG DATA. Moderator: Bill Vicenzino

- 11:10am **Keynote speaker:** Embedding clinical research into everyday practice. **Catherine McDougall**. *Orthopaedic Surgeon. Chief Medical Officer, Queensland.*
- 11:30am Establishing the Paediatric Australian Spine Registry (pASR). **Selina Ho**. *Research Engineer, QUT.*
- 11:40am Proportion of Obesity in Stable SCFE is Higher than in Unstable SCFE: A multicentre, international prospective Registry Study. **David Bade**. *Orthopaedic Surgeon. Chair, AOA QLD Branch.*
- 11:50am Data and the AOANJRR. **Michael McAuliffe**. *Orthopaedic Surgeon, Deputy Registry Clinical Director, NJRR.*
- 12:05pm LUNCH
- 1:05pm Patient-reported impairment following total knee arthroplasty is reduced when a computationally simulated predicted ideal alignment is achieved. **David Liu**. *Orthopaedic Surgeon, AOA QLD Scientific Secretary.*
- 1:15pm WorkCover and MSK injuries – the data story. **Tanya Cambey**. *WorkCover Queensland.*
- 1:25pm Registries and big data in musculoskeletal trauma. **Kirsten Vallmuur**. *Professor and Chair of Trauma Surveillance and Data Analytics, Australian Centre for Health Services Innovation and the Jamieson Trauma Institute, QUT.*
- 1:40pm Discussion

CONNECTING PEOPLE IN RESEARCH. Moderator: Greg Couzens

- 2:05pm **Keynote speaker:** MSK and orthopaedic research in QLD - what are the opportunities for greater connection. **Bill Vicenzino**. *Professor in Physiotherapy, School of Health and Rehabilitation Sciences, University of Queensland.*
- 2:25pm Isolated lumbar extension (ILE) resistance training is effective at improving extension power and disability in subject with diagnosed lumbar multifidus (LM) dysfunction. **James Smith**. *Scientist/Medical Student, Griffith University.*
- 2:35pm Creating an orthopaedic registrar research collaborative - Queensland Orthopaedic Registrar, Research Collaborative (QORRC). **Nicholas Croker**. *Orthopaedic Trainee, AOA QLD Registrar Representative.*
- 2:45pm Regional and remote research - the challenge of geographical spread - Orthopaedic Research Institute of Queensland (ORIQL). **Peter McEwen (virtual)**. *Orthopaedic Surgeon, Director, ORIQL*
- 3:00pm The clinical and cost-effectiveness of lumbar fusion surgery compared to best conservative care for patients with persistent, severe low back pain: the FORENSIC-AUS trial protocol. **Shaun O'Leary**. *PhD, Clinical Academic in Physiotherapy, University of Queensland and Royal Brisbane and Womens Hospital.*
- 3:10pm Discussion
- 3:35pm MEETING CLOSE
- 3:40pm AFTERNOON TEA: EPOSTERS AND NETWORKING
- 4:40pm CLOSE

Conference Details

Venue

Owen J Wordsworth Room, Level 12, S Block,
2 George Street, Brisbane (Gardens Point
Campus)

Moving You Forward.™

*Thank you to Centre of Biomedical Sciences,
Queensland University of Technology for hosting this meeting.*

Cancellation Policy

Registration cancellations must be made in writing to AOA Event Manager. Conference Registration cancellations received up to 30 days prior to the conference receive a full refund.

No refund will be given for cancellations received within 30 days of the conference.

Conference Disclaimer

The program for this Queensland Branch Annual Scientific Meeting (QLD ASM) is correct at the time of publication. However, the Australian Orthopaedic Association (AOA) reserves the right to change dates, the program and speakers without notice as a result of circumstances beyond its control.

The information contained in any documents and publications contained in the QLD ASM conference package and presentations provided at the QLD ASM (Conference Information) is of a general nature and may have been provided at least in part to AOA by third parties. While reasonable care has been exercised to ensure the accuracy of Conference Information, AOA, its officers, directors, employees and agents do not make any representation, guarantee or warranty whether express or implied as to the accuracy, reliability, completeness or currency of Conference Information nor its usefulness in achieving any purpose. Conference attendees and AOA members are responsible for making their own enquiries as to the accuracy, reliability and completeness of any Conference Information before taking any action based on it.

Conference Information may be amended from time to time. Conference attendees and AOA members should make their own enquiries regarding any amendments or alterations to any Conference Information.

Conference Information does not constitute medical or professional advice. Conference attendees and AOA members should obtain appropriate medical or professional advice relevant to their own particular circumstances.

To the maximum extent permitted by law, AOA does not accept any:

- responsibility for any opinions, advice or information contained in Conference Information, given or otherwise provided at the QLD ASM; or
- liability (direct or indirect) in contract, tort (including negligence) or otherwise for any injury, loss, claim, damage, incidental or consequential damage, arising out of, or in any way connected with, the use of, or reliance on, any Conference Information, or any error, negligent act, omission or misrepresentation in Conference Information and you waive all potential rights against AOA in this regard.

AOA is committed to diversity and gender equality in healthcare and to removing any practices that hinder that commitment. AOA strives to implement this commitment through its policies, practices and inclusive culture. It is an expectation that every individual who attends an AOA meeting is respected and treated equally regardless of their cultural background, gender, role or particular circumstance. Adherence to this expectation extends to invited speakers/presenters who are required to develop and review the content of their presentation/s to ensure they meet AOA's commitment. AOA reserves the right to remove Conference Information or prohibit a presenter from presenting at the ASM if the content of the presenter's Conference Information does not adhere to these requirements. Any complaints about discrimination will be dealt with by the Professional Conduct & Standards Chair. (admin@aoa.org.au)
